

# Scottish Society of Cytoimics SSC

## Training Events

In association with STP Training, Francis Crick Institute, London.

## Fundamentals in Flow Cytometry

This interactive course will provide an introduction to flow cytometric technology and give attendees the basic skills to perform their own flow cytometry experiments. Topics include principles of fluorescence and flow cytometry, panel design, and data analysis.

Courses will be held via Zoom over two days from 9.30am to 1.15pm each day. Courses will be limited to 30 people each.

### Dates:

28<sup>th</sup> and 30<sup>th</sup> September.

26<sup>th</sup> and 28<sup>th</sup> October.

30<sup>th</sup> November and 2<sup>nd</sup> December.

The course costs £30 per person. Registration and payment can be made here: <https://www.eventbrite.co.uk/e/fundamentals-of-flow-cytometry-ssc-in-association-with-crick-tickets-168275928833>

Membership of SSC is free.
