## Bloomsbury SET Showcase 20th September 2022 30 Euston Square, NW1 2FB

Celebrating 4 years of supporting knowledge exchange and innovation related to vaccines, AMR and infectious disease; join us to hear about our funded innovations and discuss the challenges and opportunities of consortium-based global research.

Colleagues with an interest in innovation, knowledge exchange, international partnerships or infectious disease are invited to attend.

The day will include an exploration of key topics through facilitated networking and panel discussion, and presentations related to past projects and future funding opportunities. For more details and to register: <https://bit.ly/bset2022>
